

Hi Immanuel families!

This week, as a Sunday School family, we ask you to help us with your HANDS!

Yes, HANDS!

Could you trace of your hands with a pencil, pen, or marker on white paper, and take a photo?

Then, send it to the church or me, Ha Na, by Tuesday, Nov 23d.

Please write your name inside the hands so that we know whose hands they are.

We will cut the trace of your hands out of green construction paper, and use them to make a lovely Christmas Tree on the wall at church.

During Advent, the time to wait for Christmas coming, everyone who comes to church will see the Christmas Tree on the wall, and know you are with us, even as our name, Immanuel, means God-is-with-us.

Will you please join in?
